Subject: Micromedex Drug Interactions for \$9.99

[View as a Web page](#)

More than just a warning
Micromedex Drug Interactions App
Providing peace of mind for only \$9.99

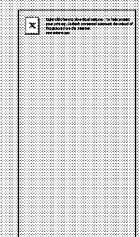

Micromedex Drug Interactions goes beyond just identifying potentially harmful drug interactions. You will see the full treatment picture including prevention and management of clinical manifestations, the probability an interaction will occur, and the timeframe in which it might occur - all backed by documentation ratings that provide insight into the level of evidence supporting each recommendation.

Carry the full picture with you at the point of care.

Special Summer Pricing
Providing peace of mind for only \$9.99 per year
*Drug Interactions is currently available only in the US and Canada

Now available for
iPhone®, iPad®, and
iPod® touch
devices
